### SELECTION PROCESS

The Festival Programming Committee selects films for exhibition at the Festival and a separate jury of artists and professionals from the film industry selects award recipients. Entries are judged on their creative content, but also on the ability to maintain the spirit of low-budget filmmaking. Please note that all submissions are subject to Committee selection.

If your film is selected for exhibition, you will be asked approximately one month prior to the Festival to ship a film print to the CSIF. The *\$100 Film Festival* will make every attempt to avoid any damage to your film, but can not provide any guarantee. At the completion of the Festival, your film will be shipped back to you, pre-paid (with the exception of filmmakers in Calgary whose films will be available for pick-up).

### SUBMISSIONS

Send a VHS preview copy and completed form to the CSIF before **January 28, 2005**. Label the tape clearly with the title, name of filmmaker and running time. If you are entering more than one film, you may compile them on to one VHS tape, but a separate entry form must be submitted for each film. There is no entry fee, but videos will not be returned unless you enclose a self-addressed stamped envelope.

Extracts and stills from selected films may be used to advertise the Festival in local print, radio or television media, and on the Festival web site.

#### **Important note for entries from outside of Canada:**

Label packages "Cultural Purposes. No Commercial Value." The CSIF will not pay any shipping or duty charges.
